SILVERBACK ACCESS STATEMENT

Silverback Films and Studio Silverback are committed to being as inclusive and accessible to all, so please let us know if you require any reasonable adjustments or assistance if you are coming to see us.

We understand that access needs are broad and diverse and can include physical, sensory, emotional, intellectual and financial considerations. As part of our commitment, we take the following measures to ensure accessibility is integrated into all our practices.

- Embed the principles of inclusive design into the way we make changes that affect our team, visitors and contributors. We'll do this through training and reviewing accessibility standards.
- Influence our suppliers – we only want to work with organisations that share our commitment to inclusion so that we can make an impact
- Listen to and welcome feedback from our team, visitors and contributors to find out how we can improve what we currently do, and what else we can do to make our office and productions more accessible, easy and convenient

Opening Hours

Our main office in Gaunt's Lane is open from 8:00-20:00 has a manned reception from 8:00-17:00

Our team works flexible hours and in a mix of in-office and remote working environments.
